

ACF Women Entrepreneurship Programme

Turn your business idea into a reality

ACF Women Entrepreneurship Programme is designed especially for Women from Black and Minority Ethnic Communities, but open to all women from all communities in Wales.

If you are a female belonging to a Black and Minority Ethnic or a Migrant community; have a business idea and are thinking of starting your own business; OR you aspire to become a social entrepreneur to address a social or environmental challenge in your own community.

Join our ACF Women Entrepreneurship Programme to access the necessary skills, training, advice, mentoring & finance required to start your own business/enterprise

The course will cover the following:

- Assessing yourself as a business person
- Assessing your business idea
- Identifying your target customers
- Conducting market research and developing a marketing strategy
- Developing a business plan - including, costs, expenses, cash-flow etc.
- Pitching your business idea to the funders.
